

CV

András Bátkai

- 1972.2.17 born in Budapest
1986-90 school “Madách Imre Gimnázium”, Vác
1990-95 student of maths and physics, ELTE TTK
1995 masters in maths
1995-97 TA at ELTE and BME, Budapest
1997-2000 PhD student Eberhard-Karls-Universität Tübingen,
advizor: Prof. R. Nagel,
scholarship: Konrad-Adenauer-Stiftung,
thesis: ”Second Order Cauchy Problems with
Damping and Delay”
2000.9.- ass. prof., ELTE TTK, Budapest
2001.10.- postdoctoral scholarship, TU Wien, Prof. Heinz Langer,
-2002.9. EU-RT Network HPRN-CT-2000-00116
“Analysis and Operators”
2003 Farkas Gyula Prize
2004-2007 Bolyai János Research Scholarship
2005 postdoctoral scholarship, Rome, Università Tor Vergata,
P. Cannarsa, EU-RT Network HPRN-CT-2002-00281
“Evolution Equations”
2006 Bolyai-Kelly scholarship, University of Missouri-Columbia
2007 “Habilitation” at ELTE Budapest

Grants:

- OTKA F022228, participant
- OTKA F034840, participant

- FKFP 0049/2001, participant
- DAAD-MÖB PPP kutatósere 2003–2004, participant
- OTKA F049624, leader
- DAAD-MÖB PPP kutatósere 2006–2007, participant

Conferences (organization):

- 6. Internet Seminar 2002/03 - Operator Matrices and Delay Semigroups
- 7. Internet Seminar 2003/04 - Operator Semigroups and Applications
- “2nd Dynamical Networks Days”, Genzano di Roma, May 2005
- “Hungarian-German Workshop on Evolution Equations”, Dobogókő, March 2007
- “Encounters Between Discrete and Continuous Mathematics”, Blaubeuren, April 2008
